

## **LOVE GIFT**

a personal gift  
to American Baptist missions  
in response to God's Blessings

**LOVE GIFT** is not a tithe or pledge. It is not a budgeted amount. It is an over-and-above offering, given by women in thanksgiving for God's goodness and presence in their lives.

From its beginning in 1931, American Baptist women chose to use their **LOVE GIFT** to support the total mission outreach of American Baptist Churches USA.

Today these expressions of love and thanks to God support the full range of American Baptist mission in this country and around the world...

- ...evangelism and new churches...
- ...teaching and discipling new believers...
- ...ministries of healing...
- ...resourcing pastors and congregations...
- ...ministries with women and girls...
- ...training leaders...
- ...caring ministries...

You can give **LOVE GIFT** anytime through your AB Women's Ministries or through your church by simply marking your offering "for **LOVE GIFT**." Your church treasurer will record your gift with the church's monthly report of mission support.

You can also give to **LOVE GIFT** online at [www.abc-usa.org](http://www.abc-usa.org) (click on Give Now) and give credit to your church for your gift.
