

**A Word From
the Editor of News and Views
and Communications Officer Sandi Nickel**

Hi, I am Sandi

ABW Ministries of Michigan produces a quarterly (August - July) newsletter called the News and Views. This newsletter includes information important to our ministry together...articles from our Region Officers, information on Women's Day, Spring Fling, and the Celebrating AB Women Conference/Annual Meeting, Area News and more.

The ABW Ministries President of each church should receive a copy and we hope each will find ways to share the information with the women of her church. If you are a President and are not receiving a copy, check with your church office, your pastor, the former President, and if you still haven't located your church's copy... then call me, at 248-669-4716!

If you are not a President but would like to receive your own copy of the News and Views along with the State Directory, here is the information you need:
