

A Word
from the Central Area
President

Hi I am Lynne Punnett.

I am looking forward to our time together at Women's Day, September 19th, when we will sing God's praises and worship Him, when we will focus on prayer...the way we communicate with our God.

**Women Destined for God's Purpose...to PRAY
(People Resolutely Asking Yeshua)**

Lift up your heads, ladies, we are daughter's of the High King, serving Him with gladness, serving one another, and privileged to be American Baptist Women!
