

A Word from the  
President of the  
Metropolitan Detroit  
Association

Hello, I am, Janet Carpenter, I will be serving as the MDA President for 2010 to 2013. I am looking forward to working with the officers and women of Metro Detroit Association, to sharing the ways God is working in and through our lives together.

I invite you to join me for the next three years on a journey as Women...Destined for God's Purpose.

I want us to explore the ways we can harvest the spiritual growth that is taking place in the lives of AB Women in our Metro Detroit Association.

If you have ideas, suggestions, or concerns please share them with me.

I want to say  
A **BIG THANKS** to Yvonne Hackett (Past President)  
for all her hard work,  
**WELL DONE, Yvonne!**
