

## SCHOLARSHIPS

In the past, AB Women's Ministries has made \$700 and \$800 scholarships available to young women who are active members of an American Baptist Church in Michigan and are enrolled in an American Baptist related college, seminary or School of Nursing.

These scholarships were given with faith in the selected "GIRLS," that their lives and chosen vocations would be in God's will and would glorify Him as they minister in this world.

Over the past few years Michigan has not had scholarship applicants who meet the school requirement.

As a result, at the Annual Meeting in June, the women of AB Women's Ministries Michigan voted, to remove the requirement that applicants attend an ABC related college. In this way, AB Women's Ministries hopes to continue to help women committed to Christian service achieve their goals.

The Funds supporting these scholarships are given by local AB Women's Ministries.

Applications for scholarships for 2010-2011 should be sent in by March 1, 2011.

For information about this year's Scholarship Girls look under the MISSIONS heading.
