

A Word from Mission and Service Coordinator Sue Farlin

It will soon be time to get started with our NEW Special Mission Project. At our annual Conference we voted to raise monies for twenty (20) beds for a total of \$4,000. The money is for Université Conrétienne du Nord d'Haiti. (UCNH)

In May 2010 the UCNH broke ground for a new dorm for women. The women's dorm was closed and condemned for structure damage after the earth quake. The opening for the women's dorm will be for the school year 2011-2012. What a great way to start a new school year with a new dorm and beds with frame, mattress, sheets, blanket, pillow, and pillowcase. Twenty beds paid for by the Women of Michigan! How EXCITING, God is doing great things in Haiti. So, please start saving (H) dollars for Haiti.

The school was started in 1947 with three students and today they have 380 students. The mission of UCNH is committed through scholarships, teaching spiritual formation service and social involvement to the preparation of men and women for the purposeful Christian lives and leadership roles in the renewal of their communities.

It would be so exciting to reach our goal and help UCNH open their doors on time. This in turn would help so many women attain their dreams and allow them to become Women Destined for God's Purpose.

These are exciting times so let's make our goal together.
