

2010—2011 Region Mission Project

Beds for Haiti

Each year Michigan women select a Mission Project for the state.
This year our focus is an International Ministry...

Beds for the
Université Conrétienne du Nord d'Haiti

**"Our goal," said Sue Farlin,
"is to provide at least 20
beds for the new
Women's Dorm**

\$4000

UCNH was started in 1947
with three students;
today there are 380 students.

The school is committed
through scholarships,
teaching spiritual formation,
service, and social involvement
to the preparation of
men and women for
purposeful Christian lives and
leadership roles in the
renewal of their communities.

In May 2010 the UCNH broke
ground for a new women's dorm
to replace the dorm damaged by
the earthquake. Opening day is
scheduled for 2011-2012.

AB Women's Ministries of
Michigan has signed up to
provide **20** of the beds needed
for the dorm!

\$200 will provide a complete
bed...frame, mattress, sheets,
blanket, pillow, and pillowcase.

God is at work in Haiti and
through this project,
we can help Haitian women
attain their dreams and
allow them to become
**Women Destined for God's
Purpose.**

So, start now saving (H) dollars
for Haiti.
