

**A Word
from Pat
Coordinator of White Cross**

Hello, I am Pat Wentworth,
WHITE CROSS COORDINATOR for
AB Women's Ministries of Michigan.

Soon you will receive your White Cross requests. There are increased needs at home and throughout the world as the world economy dips and wallows, but we still have the ability to share what we have with those who have much less.

Take **enough** from the blessings you receive
and pass the rest on to others.

Here is a date for your calendar:

September 18, 2010

Women's Day

**Join your sister across Michigan in worship, praise, and prayer.
Invite a friend and COME. See you there!**
