

M28 OFFERS TWO TRACKS OF ENGAGEMENT

TRACK ONE PASTORAL

A pastoral leaders track will provide clergy with broad exposure to important ministry topics through 12 courses. This track will prepare pastors for the pursuit of a regionally recognized ordination through ABCINKY. Students will work with a Student Mentor, the M28 Dean, and an ABCINKY Region Minister as they advance through the program.

TRACK TWO LAITY

A laity track will equip congregational leaders who wish to advance their knowledge and skill in ministry leadership. These students will be mentored by their pastor.

M28 is a partnership between Kairos Partnerships and ABC-Mi; along with ABC of Indiana, Kentucky, Ohio, Great Rivers and Mission Northwest. Kairos will provide the educational course content through a subscription-based delivery of classes. ABC-Mi will provide the mentor team and assessment of competencies as students advance through their learning pathway.

For more information, you may contact M28 Dean, Rev. Dr. Dan Cash, or speak with one of the Region Ministers.
