Building Momentum for the Kingdom of God through new churches And renewed churches on mission with Jesus Christ. **Together.**

American Baptist Churches of Michigan exists because we can do more for Jesus together than we can do apart. Each church connected with ABC-MI has the opportunity to have a disproportional impact in the state of Michigan and beyond through our shared ministry and mission. Many smaller congregations often doubt the impact that they are able to have because they only see what they can do. However, through our work as a region, your mission dollars at work through the Region Offering ensure that every corner of the state of Michigan can be transformed through the Gospel of Jesus Christ.

Over the years we have planted churches, seen renewal in existing churches, raised up countless pastors and leaders, and baptized people by the thousands. The Kingdom of God has been made manifest throughout this state and around the world as we live into the example of the early church, where we read, “all the believers were together and had everything in common.”

Your mission dollars given through the Region Offering enable us to build upon our faithful legacy. Our work is not done, the hope of this world is only found in Jesus Christ. Together, we can proclaim that Name in word and deed. Thank you for your sacrificial giving.
