Caring for the Shepherds

Ministry is a sacred calling—but it can also be isolating and overwhelming. According to recent research, **nearly half of pastors under 45** are thinking about stepping away, and only **1 in 3** feel a sense of well-being.

That's why ABC-MI is committed to **Ministry Leadership Groups (MLGs)**—intentional, supportive spaces where 5–8 pastors gather regularly to grow, connect, and find strength for the journey. These groups are led by trained Peer Group Leaders and offer real-life encouragement, accountability, and care.

"My marriage was saved because of my MLG."

"This group is keeping me from burning out."

"They walked with me through grief."

Your giving to the **Region Offering** makes this vital ministry possible. Healthy churches start with healthy pastors—and your support is a direct investment in their well-being.

Thank you for standing with those who serve. Together, we're building a stronger church across Michigan.
